The Adventure Chronicles Book one: The madman in the blue box

10 0 1

Chapter 1 by Jack Hall (lavendertone investigator)

Book one of the fandom chronicles. A boy named Alex lives a average normal life. Until one day on the way home from school he finds a mysterious man standing next to an old British police box waiting for him. Who is this mysterious man and what does he want from Alex? Authors note: I'm going to have Alex crossover into other fandoms such as Doctor Who, Undertale, and others. So he's basically traveling the multiverse. MAKE SURE YOU REMEMBER THIS.
